Dove Award nominees, Jon and Ben Burchfield make music that inspires the soul. Combining such styles as Smoky Mountain Jazz, Gospel and Classical, along with a bit of Irish flavoring, this unique duo from Nashville, Tennessee mesmerizes audiences of all ages.

Jon is a master of Classical Guitar, while Ben performs with a Mallet Kat, which can be described as a midi-marimba. Played with either mallets or hands, the Mallet Kat has unlimited sounds ranging anywhere from percussion to orchestral. When these two instruments are played together, the dynamic arrangements of hymns and praise songs become new and exciting!

Their concerts are a combination of music, storytelling and comedy, as each plays off the other in a way that's entertaining, reflective and captivating. An evening with The Burchfields can be described as "reaching the ages." Prime-timers love it because they recognize the music, while young people are inspired by the arrangements and intrigued with the instrumentation. Their stylistic diversity bridges the gap of the generations.

The Burchfield Brothers share a God given passion to create music. For them, it is an expression of their love for Christ.

The chords they strike are not only  
on their instruments, but in the hearts of us all."
